BE-ARMA LIVE EVENT

Royal Museum for Central Africa
Thursday 25 September 2025
10h00 – 18h30

The event where you can meet your Belgian fellow Research Managers and Administrators, learn from each other, exchange best practices.

The programme foresees presentations about a.o. the recognition of our jobs (ERA Action), round table discussions about International collaboration, Artificial Intelligence from proposal to evaluation, challenges of blind evaluations, clinical trials and patient data.

Several Networking moments are envisaged and as well a visit to the museum.

The link to the agenda and the registration tool is published on the BE-ARMA teams. If you are not yet a member, please follow the instructions [on the website](#)
